Gevo, Inc. to Present at the Jefferies 11th Global Clean Technology Conference

February 18, 2011

ENGLEWOOD, Colo., Feb 18, 2011 (BUSINESS WIRE) -- [Gevo](#), Inc. (NASDAQ: GEVO), a leading renewable chemicals and advanced biofuels company, today announced that Gevo's Chief Financial Officer, Mark Smith, will present at the upcoming Jefferies 11th Global Clean Technology Conference on Thursday, February 24, 2011, at 11:00 am ET in New York, New York.

A live webcast of the presentation can be accessed under "Calendar Of Events" in the Investors section of the Company's website at www.gevo.com, or you may use the link: www.wsj.com/webcast/jeff154/gevo.

About Gevo

Gevo is developing capital efficient biorefinery systems to provide renewable, cost-effective building block products to the fuel and chemical industries. Gevo seeks to convert renewable raw materials into isobutanol and renewable hydrocarbons that can be directly integrated on a "drop in" basis into existing fuel and chemical products to deliver environmental and economic benefits. Gevo is committed to a sustainable biobased economy that meets society's needs for plentiful food and clean air and water. For more information, visit www.gevo.com.
